

VERNON COUNTY HAULING RULES

1. All haulers must stop at the office upon arrival to the Vernon County Landfill.
2. All waste haulers will transport solid waste in an enclosed vehicle or shall transport the rubbish in containers which will prevent littering or spilling while in transit.
3. All waste haulers must comply with all federal, state and local regulations, including those related to the collection, transportation and disposal of solid waste.
4. The Vernon County Solid Waste Department has the right to inspect the hauler's trucks and contents whenever the trucks are in Vernon County.
5. License holder agrees to deliver all acceptable solid waste, as defined by the Vernon County Solid Waste Management Committee, picked up in Vernon County to the Vernon County Solid Waste Facility; however, no waste from outside the County will be accepted without a prior agreement.
6. Dumping of solid waste at the landfill site is allowed only when an authorized Vernon County employee is available to observe the weighing and unloading of the truck.
7. If any hazardous or unacceptable waste is delivered to the landfill or processing facility, the hauler will be notified for removal and if the hauler does not remove the material in the agreed upon time frame, not to exceed closing of the following work day, Vernon County will dispose of the waste in accordance with all applicable laws and regulations. The hauler will be billed double the county's disposal costs incurred.
8. All haulers will use STH 14, CTH Y, and CTH LF to access the facility. Haulers who fail to follow this route may have their license suspended.
9. If any hauler does not abide by these guidelines and guidelines in their municipal contracts, they will be cited and assessed a fine or fee as clearly stated in the Vernon County Solid Waste Ordinance. Three or more violations within a twelve-month time period may result in the suspension of the hauling license and the hauler losing his right to haul solid waste in Vernon County.
