

COVID-19 VACCINE INFORMATION

Who is eligible for the COVID-19 vaccine?

Currently eligible populations

- Frontline health care personnel
- Residents in skilled nursing and long-term care facilities
- Police and fire personnel, correctional staff
- Adults ages 65 and over

Next eligible groups

- Education and child care
- Individuals enrolled in Medicaid long-term care programs
- Some public-facing essential workers
- Non-frontline essential health care personnel
- Facility staff and residents in congregate living settings

Special Considerations:

1. If you are sick we recommend that you delay vaccination until your symptoms have resolved.
2. If you are currently in isolation or quarantine we request that you reschedule your vaccination to prevent further spread of illness.
3. If you have a history of anaphylaxis to any of the ingredients in the vaccine, you should not receive the vaccine at any time based on current guidance. If you have had anaphylaxis to other vaccines please contact your medical provider to receive vaccine or for further directives.
4. If you have received certain treatment(s) for COVID-19 at any time within the past 90 days we recommend waiting 90 days to receive your vaccination.
5. If you have received any other vaccinations it is important to delay the COVID-19 vaccine for at least 2 weeks.

Interested in the COVID-19 vaccine? Please complete a COVID-19 interest form on the Vernon County Health Department website OR Facebook page. If you are unable to complete this online interest form please e-mail vaccinerequest@vernoncounty.org. It is not necessary to follow-up after filling out the form or once your email is sent. If you do not have access to a computer please call the Vernon County Health Department at 608-637-5251.
