COUNTY FOREST ADMINISTRATOR Nick Gilman – 608-637-5476

Public Invited to Discuss Vernon County Forest Management and Timber Sale

FOR IMMEDIATE RELEASE – September 20, 2021 - Vernon County's Land and Water Conservation Department will be hosting an open, public meeting to discuss Vernon County's forest management goals on Wednesday October 6 at 6pm at the Sidie Hollow Main Shelter.

This discussion will be an open house format where attendees will learn more about Vernon County's goals for forest management, harvesting, regeneration and upcoming timber sale, as well as take advantage of the opportunity to comment and ask questions.

"It's imperative that we manage our critical habitat structure for future generations. I look forward to hearing different perspectives and having a good discussion in regards to proper timber harvesting in our region," says Vernon County Forest Administrator Nick Gilman.

Questions and comments are welcomed and encouraged. County Forest Administrator Nick Gilman, will lead the discussion.
